Message From Sulaiman Al-Sabaa Rehen Al-Zakwani Chairman Of A.I.T Group

A.I.T Group of Companies is a strong and solid company, one of the leaders in its business, a most renowned and respected corporation in GCC. It is at the forefront of the development of the economy of Gulf, leveraging its experience and success of the past 2 decades to bring the best possible value to its customers and partners, aiming at excellence in its products and

services. It will continue its successful path through new projects and new ventures.

The perspectives are huge and exciting. We approach them with our minds widely open, with great curiosity and high ambitions. Our large expertise and deep knowledge of local market and conditions make A.I.T Group of Companies the ideal partner for any company aiming at developing or starting business and operations in Gulf. Our team of talented managers and workers lead our construction company to the top levels in Oman. Building on our core values of Authenticity, Commitment and Honesty we successfully diversified in other lines of business as machinery, Buildings materials, Industrial Materials, Hotels & Tourism.

We will keep developing in a safe way for our shareholders and employees, considering only projects which contribution is decisive for the sustainability of our growth and our company.

1. Motivation of Managing Director & Partner of A.I.T Group

Dr. Aftab Uddin Khan
Managing Director & Partner of A.I.T Group

We organized our construction company following the rules and regulations established by the state. We intend to cooperate with the country as much as we can. Construction & supply of all kind of Martials is the main theme of our company and we wish to give the best service to our respectable clients and to give them more

satisfaction than they expected. Our Company policy is to complete the Projects on-time, with a superb quality, at the cheapest price and with modern technologies. I would like to invite you to share with us your ideas and projects which we will develop together in trust. The goal of our company is not only to develop our business but also to BELIEVE IN TO BE SUCCESSFUL AND BE A HIGH- STANDARD COMPANY

2. Overview

A.I.T Group of Companies is involved in a wide range of business in G.C.C Countries. The main goal of A.I.T Group of Companies is to develop specific sectors and industries in the G.C.C countries.
